

RIVERSCAPE

FACTSHEET

THE DEVELOPMENT

Set at an extraordinary point in East London where the River Thames meets Lyle Park, Riverscape is surrounded by extensive parkland and verdant landscaping making this one of the capital's greenest and best-connected riverside developments.

Part of an already established and thriving neighbourhood at Royal Wharf – with everything you need on your doorstep – Riverscape's south-facing waterfront setting makes it unique. The curvature of the river at this point provides views across the Thames, green parkland and the iconic Canary Wharf skyline. Apartments open out onto a park-side setting with panoramic views from expansive windows making the living experience almost coastal.

You're on the edge of the city, yet immersed in nature.
